## **20-21 Jan - 3rd Annual Wacht Am Rhein/Battle of the Bulge, Enfield, NC**

A site familiar to many of us by now. This is a much cooler time of year! Will have the M-1934 tent up and expect a good number to attend.

## **18-19 Feb - The American Heritage Festival, Lake City, SC**

[TheAmericanHeritageFestival.com](http://TheAmericanHeritageFestival.com) Just off I-95, with considerable amenities. A few of our number will be attending again as 3rd Light Dragoons (Rev War, mounted cavalry), so at least you ground pounding World War types can come and laugh at our antics. The 1st ID comes to this event as well as the typical AB types, but this is a great time for us to display the 30th colors!!!

**14-June - Legacy of The Cowpens, Cowpens NHBP, Chesnee, SC**

This is a third (plus) year event focusing on the Pacific Theater in conjunction with the annual "Mighty Moo" celebration of the ship and crew of the USS Cowpens. This is a growing event and IHA has fielded about four or five participants the past couple of years. A good one-day event if you are located close by.
