

Volume IV – Number 12
April 15, 2007

Today we have a special service and reception to recognize and thank our numerous volunteers. Since April 15th is typically celebrated for a more negative reason, we have dubbed today “**IRS Day**” for **Individual Recognition Sunday!** If you serve our congregation as an acolyte, crucifer, worship assistant, usher, greeter, lector, cantor, or council member ... if you help on the altar guild, with Sunday School, refreshments, or on any of the various committees ... if you count offering, clean our facility, prepare publications, or work our special events ... for all of you who serve as our supply pastor ... the list goes on almost as long the list of willing and able volunteers. Our thanks and gratitude for helping to *Grow God’s Mission* in this place!

Keep in your **Prayers For Healing:** Evelyn Swain, Larry Davis, Newell Nelsen, and Olga Larson.

Humor - The preacher's 5 year-old daughter noticed that her father always paused and bowed his head for a moment before starting his sermon. One day she asked him why. "Well, Honey," he replied, proud that she was observant of his efforts, "I'm asking the Lord to help me to preach a good sermon." "Well then", she asked, "how come He doesn't do it?"
