Billy Graham tells of a time, early in his preaching ministry, when he was due to lead a crusade meeting in a town in South Carolina, and he needed to mail a letter. He asked a little boy in the main street how he could get to the post office. After the boy had given him directions, Billy said, "If you come to the central Baptist church tonight, I'll tell you how to get to heaven." The boy replied, "No thanks, you don't even know how to get to the post office!"
